

Charley Chisholm's guide to the
The Gault Site exhibit
For kids 7 years and older

Look at the exhibit and write the answers
to the questions below.

- ✧ What is the role of archaeology?
- ✧ What is an atlatl?
- ✧ How old are the Clovis tools found at the Gault Site?
- ✧ When did the bow and arrow arrive at Gault?
- ✧ Which tool may have been used to make bread, crack open nuts, and shape other tools?
- ✧ What is another name for an engraved stone?
- ✧ Why do archaeologists use microscopes?
- ✧ What are some of the tools that archaeologists use?
- ✧ Go to the TexasBeyondHistory.net web site on the touch screen and play a game under the kids section.
