---TRAFFIC ALERT---

June 22, 2018

Troy – Church St. to Close Temporarily at FM 935 / Main St.

Starting June 28, at about 7 AM, the connection from Church St. to FM 935 / Main St. will close until probably the end of July. This closure will allow the I-35 contractor to remove the existing pavement, install new drainage structures, and rebuild the intersection of FM 935 / Main St. and Church St.

During this time, access to the southbound frontage road from Church St. will be via Carter Spur or Goates Rd. Those travelers located on Church St. needing to travel north or to downtown Troy will detour to the south Troy Bridge (Love's Blvd, about 1 mile) where they can U-turn and then head back to the north. FM 935 / Main St. will remain open during this time.

Please allow extra time to make daily connections for travel outside the Troy area while this closure is in place. Travelers are encouraged to obey all warning and detour signs.

PLEASE SEE MAP BELOW FOR MORE DETAILS.

Efforts to improve the I-35 corridor throughout the state would not be possible without the support of local governments, the Texas Legislature and the U.S. Congress. In addition to the ongoing \$1.9 billion dollar expansion of I-35 through TxDOT's Waco District, a number of critical projects are underway in the Dallas/Fort Worth region to improve I-35 connections to I-820 and I-635 thanks to a partnership with the private sector. Meanwhile, TxDOT continues to plan for the long-term future of the I-35 corridor through the MY 35 citizen-driven planning process. For more information about I-35 expansion projects or the MY 35 planning effort, visit www.my35.org. Follow us on [Twitter.com/I35Travel](https://twitter.com/I35Travel).
