

March 22, 2017
Bell County Expo Center
Assembly Hall
8:00 am - 4:30 pm

Opening Keynote: Andy Keller, PhD.

"The State of Mental Health in Texas"
The Meadows Mental Health Policy Institute

The Meadows Mental Health Policy Institute for Texas is a nonpartisan, nonprofit, working to change the condition of mental health in Texas. Dr. Keller is the President and CEO of The Meadows Mental Health Policy Institute. Dr. Keller's work has centered on helping local systems implement evidence-based and innovative care, as well as helping local and state governments develop the regulatory and financial framework to support them.

Closing Keynote: Camille Miller, MSSW

"Health in all Policies"
Texas Health Institute

Improving the health of Texans and their communities is the mission of Texas Health Institute. As an independent, nonpartisan, nonprofit think tank, Texas Health Institute pursues solutions to accomplish quality, access, and cost effectiveness. Camille D. Miller has been the president and CEO of Texas Health Institute (THI) since 1996. Camille Miller has extensive experience in policy research, development and planning in state policy to address health and human services issues.

WHO SHOULD ATTEND?

- Central Texas City and County Officials
- Business and Community Leaders
- Housing Stakeholders
- Health Care Stakeholders
- Policy and Decision Makers
- Community Health and Human Service Leaders
- Financial Institutions
- Law Enforcement
- Independent School District Leaders
- Faith community

WHAT YOU WILL LEARN:

- The impact of behavioral wellness on local tax payers, health care stakeholders, and economic health of businesses and the community at the State and Local Level.
- How local public/private partnerships are addressing the negative impact in criminal justice and healthcare.
- The missing community link to attaining and sustaining behavioral wellness in the local community.
 - How policies created within silos of business, local government, criminal justice, healthcare, housing, and faith based helping organizations can become barriers to positive outcomes.
- Your part in creating a community of behavioral wellness throughout Central Texas.
