Shelley Coston
Bell County Clerk

Based upon the ongoing and growing concerns regarding Coronavirus – COVID-19, the Bell County Clerk's Office is implementing a Continuity of Operations Plan to continue serving our citizens while taking precautionary measures to protect our staff and their families.

The Bell County Clerk's office will limit public access to our office effective immediately and until at least March 31, 2020. The issue will be readdressed daily based on current happenings in our County.

The Bell County Clerk's Office will still be operating by answering phones and emails, processing e-files for judicial cases, e-recording for property records, electronic registration of birth and death records, and all mail, fax and email search requests.

While we realize there will be exceptions, every attempt to limit face to face transactions will be made. Certain transactions **will be processed by appointment only**. These appointments will be restricted to only the party or parties involved. We ask that you please do not bring in children. If you are sick, recently exposed to anyone who is sick or show signs of being sick, please do not attempt to make a physical appearance in our office. Each request for an appointment will be screened for immediate need and will be decided on a case by case basis.

I apologize for any inconvenience this may cause and appreciate your understanding to protect the employees and their families.

Respectfully,

Shelley Coston
Bell County Clerk
